

## Friends

A new generation is born every year and the church has an ever increasing privilege to share Jesus with the next generation. At River's Edge we pray and plan to creatively impact and influence people of all ages so they can have the chance to experience the transforming power of the gospel.

Our **FRIENDS** program is about *building momentum* by identifying special gifts towards our annual ministry costs: sponsorships for needy families and children; scholarships and ministry opportunities for young people to serve on staff as River's Edge missionaries; equipment purchases for programming and operational activities to provide safe and fun experiences for the thousands of guests and campers who call River's Edge, 'their camp'.

People who give a gift to River's Edge are Friends to all those who come as strangers and leave as Friends. They have had one more chance to learn of Christ's love. We need LOTS of Friends to make our annual ministries possible.

*Even when I am old and grey,  
do not forsake me O God, till I declare  
your power to the next generation,  
Your might, to all who are to come.  
Psalm 71:18*

## Making Memories

Whether you get involved by becoming a Friend, who gives an occasional gift, or a Visionary Investor who commits monthly or finally a Legacy Partner who supports a major project, we want you to know we are blessed by those who use their talents and invests for God's glory.

Join us in making memories and reaching generations through one or all of these levels of involvement with the River's Edge ministries.

*The people are bringing more than enough for the construction work which the Lord commanded us to perform...*

*For the material they had was sufficient and more than enough for all the work and to perform it.*

*Exodus 36:5, 7*

# Visionary Investors

# Legacy Partners

Billions of dollars are invested by millions of people around the world. Everyone is hoping for a big return on their investment. We are also looking for a big return but one that will be paid out in eternity.

River's Edge is investing its resources into the lives of our guests and campers. Our Labour, Influence, Finances and Expertise (L.I.F.E.) are being poured into making it possible for people to know Jesus. Every month we host increasing numbers of people who are part of our growing investment.

**VISIONARY INVESTORS** are those who know the need for *building sustainability* on a monthly basis and are committed to making a monthly investment in the River's Edge ministry.

Our goal is 300 Visionary Investors who will commit to a \$50 monthly donation or more. River's Edge will then be able to make budget decisions knowing that \$180,000 will be available to sustain our efforts. Equipment can be updated, buildings renovated, programming areas developed, trails built, tipis bought. And everyone on our property will enjoy our beautiful foothills setting with a supernatural experience.

*Lay not up for yourselves  
treasures upon earth,  
where moth and rust corrupts,  
and where thieves break through and steal:  
but lay up for yourselves  
treasures in heaven,  
where neither moth nor rust corrupts,  
and where thieves do not break through  
nor steal:  
for where your treasure is,  
there will your heart be also.  
Matthew 6:19*

*Live for something bigger than you  
that will out last you!*

What are you living for? What will you be remembered for? When your eulogy is read, what will be said of you? These are stark reality questions that challenge the people of God to consider the legacy of their lives.

Being remembered for what you have given is one of the greatest tributes possible—especially when those gifts are gifts of love, acceptance, forgiveness, and hope. With so many needing to discover the love of Christ, the forgiveness, hope and joy He offers, wouldn't it be a great legacy to know that being a Legacy Partner at River's Edge, is *building permanence* for future generations.

**LEGACY PARTNERS** see the need for major projects and developments to be funded properly. They make significant sacrifices to help make the River's Edge visions and dreams a reality. They desire to implement major programming ideas like a swimming pool, high ropes challenge course, sports fields, arenas and indoor climbing wall.

Legacy Partners also recognize the need for making room for more people. Expanding our R.V. sites and creating a motel style conference centre to accommodate 100 people with self-contained rooms, conference and meeting areas, prayer chapel, and pastors' retreat would make that possible.

These projects and programming ideas are designed to last for generations. Many of these items will out-live the giver. Gifts towards these capital projects become a legacy of hope!
