SCHOOLS:

River's Edge is the ideal location for all your school trip needs, whatever they are! We are an Alberta Camping Association certified facility. We offer sectional spaces, classrooms, outdoor activities and a gymnasium which makes us the perfect location for band camps, outdoor and environmental education or staff retreats.

MUSIC & DRAMA: River's Edge has become a popular place for school band, choir and drama camps. We have an assortment of band equipment and several break out spaces in addition to use of the Auditorium as the main rehearsal space. Bring your students out and give them the opportunity to enhance their skills in a fun and relaxed way. Many of our Band, Choir and Drama Camps also choose to offer a few of our Activities to their students.

"We have found the facilities to serve our needs extremely well. They have ample space for full rehearsals and sufficient break-out space to accommodate sectionals. The added bonus of on-site music stands and percussion equipment is a major benefit. The facilities have always been in excellent condition, clean and well-maintained. The staff has been excellent to work with and have accommodated our needs exceptionally well. The food has been wonderful and the extra effort they make to serve delicious alternatives to students with dietary needs is very much appreciated." - Kevin Willms, William Aberhart High School

LEADERSHIP DEVELOPMENT: Whether you are looking for a day or an overnight event, our leadership development activities are a great option. We have created a program that encourages individuals to find the leader within. Through age appropriate programs we provide your group with a positive and fun learning experience to teach and enhance the qualities and characteristics of a good leader.

TEAM BUILDING: Our creative activities have an amazing way of bringing groups together and building team cohesiveness. A debriefing time, led by one of our knowledgeable staff, is held at the end of the activity to reinforce what has been observed and learned during the activity.

PROFESSIONAL DEVELOPMENT DAYS: Bring your staff and faculty on a rejuvenating and rewarding trip. We provide a great place to plan, to have fun and to get away from school for a day or overnight.

Also, our property boasts great camping and adventure programs for your Phys. Ed or Wilderness Training Classes.
