**Skills/  
Interests**

Knowledge of your skills help us utilize your talents at camp

**Photocopies:**  
Please include photocopies of all current certifications for all applicable skills

The following information will assist us in knowing your interest level and skill in common River's Edge tasks/activities. During your time at River's Edge you may be asked to perform tasks outside of those listed as your preferred skills. Many tasks are not required fulltime at the camp and other tasks may be assigned to fill pressing needs at the camp. At River's Edge we ask our staff to be flexible and to work within the 1+ principle.

**The 1+ Principle** Teamwork is a vital part of any camping program. Although all STMs have a primary role at REC, when help is needed they will be required to assist in multiple areas of the camp. This means we all agree to remain flexible and provide assistance in more than one area of the camping ministry.

- I understand the 1+ principle and am excited to work at River's Edge wherever I am most needed.

Please mark the following camp program components as noted:

- 1. Have accreditation in area**
- 2. Interested and capable of teaching**
- 3. Interested but need training**
- 4. Capable but not interested**
- 5. Please don't put me there!!**
